Friends and Colleagues

In another first for Bristol Law Society, it is with immense pleasure as its first Co-Presidents, we invite you to the Society's Annual Awards Dinner 2022.

Our Awards Dinner is the event of the year in Bristol's legal calendar, and if you are lucky enough to get a ticket, it is a fantastic opportunity to celebrate not only the award winners, but all that you as our members do to support the community that we all work and live in.

We have both had a frenzied start to our Co-Presidency, juggling parenthood and partnership. In the short time that we have been in office, Bristol Law Society's team of volunteers and incredible staff have helped to support change in our wonderful City and amongst our members as we all grapple with the rapidly evolving legal and working landscape. It becomes increasingly clear to us as we speak to members and associated organisations that there is so much to be gained from collaboration to resolve some of our shared challenges and to grasp the opportunities to ensure the local sector remains vibrant, attractive, and accessible to all who want to work in it and access its services.

To that end, we have set up a climate and net zero group to help our members become more sustainable, we have supported our Ukrainian colleagues working within the local legal sector through a new cross firm support network initiative, we have organised social events to bring people back together to network and socialise, and our programme of nearly weekly webinars continues relentlessly.

The Awards evening is an opportunity to support Edd's chosen charity of the year, the Bristol Drug Project. BDP is a charity providing harm reduction and treatment services to people experiencing problems with drugs and alcohol. It provides outreach and in-reach support to help adults reduce the harm drugs and alcohol can cause and offers support for people as well as working in partnership with GP practices to dispense detoxes and opioid substitutes in the community. BDP makes an enormous difference to an oft ignored part of our city.

We would like to thank all our sponsors and supporters, our thousands of members, and our council members without whom this event and all that we do on your behalf would not be possible.

It has been an honour for us to be Co-Presidents, but there is even more to come of both of us, so we look forward to seeing you at the Awards Dinner.

Thank you

Edd Thompson & Erin Sawyer
Co-Presidents, Bristol Law Society
