Dear SRA Team

**RESPONSE TO SRA DISCUSSION PAPER of 3rd August 2022  
"Next steps on the Solicitors Indemnity Fund (SIF) and  
consumer protection for negligence claims"**

Please take this letter as further endorsement of our position as set out in our earlier letter of 7 June 2021 and the recently submitted Association of South Western Law Societies 'ASWLS' response of 29<sup>th</sup> August 2022, of which Bristol Law Society are a member.

In short, we believe there is a continuing need for PSYROC and SIF should remain albeit with some relatively easy running cost solutions to ensure its continued efficacy.

Yours faithfully

**Erin Sawyer**  
Co-President

**Edward Thompson**
